

Join us for Public Meetings about New Mexico's Climate Action Plan

The Climate Action Plan (CAP) will provide an actionable roadmap to meet New Mexico's climate pollution reduction targets, ensuring a healthy, secure and prosperous future for all New Mexicans.

Please join us at one of our 2025 public meetings to learn more about the CAP and share your ideas!

Meetings will be held between 5:30 - 7:30pm. All venues are ADA compliant. Food and beverages will be served.
